1	It was the BX, so the driver put my bike under the bus - worked well.	Feb 18, 2011 4:49 PM
2	I waited for the next bus	Feb 18, 2011 4:54 PM
3	Wait for the next bus..or the one after that...it can be frustrating, yes.	Feb 18, 2011 4:55 PM
4	Put my bike in the cargo area underneath (on regional buses). I've never been denied because the rack was full. Not yet, anyway.	Feb 18, 2011 5:07 PM
5	had to take a different bus	Feb 18, 2011 5:22 PM
6	waited for next bus or just rode to save time	Feb 18, 2011 5:28 PM
7	Here is why I do not take my bike on the bus: it will not accommodate a bike with front and rear racks.	Feb 18, 2011 5:43 PM
8	sometimes can put it under the bus, if it's a big bus. Otherwise, just ride my bike instead of bussing. Hasn't happened that often, but I don't ride the bus with a bike that often either.	Feb 18, 2011 8:03 PM
9	Waited for the next bus, because it was raining terribly hard!	Feb 18, 2011 10:35 PM
10	If the bus is not crowded, they will let you on. Otherwise, wait for next bus or lock up bike and get on bus.	Feb 19, 2011 6:48 PM
11	waited for the next bus	Feb 20, 2011 1:10 PM
12	Beg the driver to use the back door-- most Skip drivers are wonderful!	Feb 22, 2011 1:32 AM
13	Asked driver to let me put it in luggage compartment.	Feb 23, 2011 2:57 PM
14	On regional buses, I've usually been able to put my bike underneath. On local buses, I've had to just ride in the rain a few times.	Feb 23, 2011 5:49 PM
15	Waited for the next bus, which also had a full rack. So waited for the next one.	Feb 24, 2011 1:08 AM
16	I used the lower storage compartments (on express and regional buses). Otherwise, I accepted that I must wait for the next bus with more space.	Feb 24, 2011 10:14 PM
17	Waited for next bus	Feb 25, 2011 12:08 PM
18	waited for another bus	Mar 1, 2011 8:53 PM

21	Ended up having to ride my bike further.	Mar 1, 2011 10:06 PM

23	some buses have underneath storage. or just keep biking	Mar 1, 2011 10:23 PM
24	Sometimes put underneath in luggage area. Are least oney time refused all together.	Mar 2, 2011 7:31 AM

Page 1, Q9. If you have encountered a full bike rack on the bus, how did you deal with it?

25	Asked the driver to let me carry it as luggage in the back of the bus. Most often drivers refuse, typically with various lies about nonexistent "policies" or bikes somehow being less safe than other luggage like strollers, etc. Very frustrating that RTD leaves drivers hanging, meaning the more cautious say no.	Mar 2, 2011 8:10 AM
26	Regional buses: slide bike under. Locals: just wait for next Skip.	Mar 2, 2011 9:05 AM
27	The bus driver has to get off and put the bike under the bus.	Mar 2, 2011 9:43 AM
28	Rode my bike instead....	Mar 2, 2011 10:07 AM
29	The driver put my bike underneath the bus	Mar 2, 2011 10:09 AM

35	Put the bike in the storage underneath the bus (I ride the regional bus to denver) or wait for the next bus.	Mar 2, 2011 11:42 AM
36	Most of the time the bus driver will allow me to board the back of the bus with the bike but only if it is uncrowded. Otherwise I have had to ride the bike and be late to my appointment.	Mar 2, 2011 12:04 PM
37	waited to see if someone was getting off of bus with their bike. otherwise, I've just had to wait for the next bus or walk/bike home.	Mar 2, 2011 12:50 PM
38	wait for next bus	Mar 2, 2011 12:56 PM
39	Had to walk bike with flat tire toward home after about 40 mins bus with space on rack came by.	Mar 2, 2011 1:09 PM
40	Some drivers will allow bikes on the bus (thank you!!), but otherwise I have to wait for the next bus or leave my bike.	Mar 2, 2011 1:32 PM
41	regional buses have the under storage. but I have seen bikes on the inside the bus when it isn't very crowded	Mar 2, 2011 2:21 PM
42	Regionals - used under bus storage	Mar 2, 2011 2:24 PM
43	Brought the bike on board the bus.	Mar 2, 2011 2:44 PM
44	wait for the next bus or put bike in under bus storage if available	Mar 2, 2011 4:04 PM
45	Most often bike goes in luggage compartment of the bus, if there's room. If there's not room underneath? Once the driver let me bring my bike into the bus. On other occasions I have been told to "wait for the next bus." I did not deal with that very well.	Mar 2, 2011 4:21 PM

Page 1, Q9. If you have encountered a full bike rack on the bus, how did you deal with it?

46	Waited for the next bus, biked a long distance to destination, took bike on fairly empty bus with driver permission	Mar 2, 2011 4:54 PM
47	Put my bike on with the help of the driver.	Mar 2, 2011 4:55 PM
48	Waited for the next bus.	Mar 2, 2011 5:15 PM
49	looked bike up, walked	Mar 2, 2011 9:52 PM
50	either suck it up and ride the distance or wait for the next bus	Mar 3, 2011 10:37 AM
51	Used luggage compartment on regional bus.	Mar 3, 2011 9:23 PM
52	Locked my bike to a tree	Mar 3, 2011 10:01 PM
53	Waited for the next bus.	Mar 4, 2011 11:16 AM
54	full racks happen ALL THE TIME. On the Lyons bus, the driver very often lets bikes on board. That becomes a problem when the bus is very full, as is happening as gas prices increase.	Mar 4, 2011 3:44 PM
55	I put the bike underneath on the regional buses	Mar 4, 2011 4:05 PM
56	I waited for the next bus.	Mar 4, 2011 5:57 PM
57	If regional I stow my bike under the bus If local I leave my bike or ride to my destination	Mar 4, 2011 11:33 PM
58	put it underneath	Mar 5, 2011 10:21 AM
59	Biked home or locked it and came back later.	Mar 5, 2011 2:47 PM
60	Put bike under the bus. Which makes for grumpy drivers and fellow passengers.	Mar 5, 2011 3:35 PM
61	wait for the next bus if the bus is full. Sometimes the First Transit driver will permit the bus inside.	Mar 7, 2011 4:54 PM
62	Put bike in lower storage (regional bus). I rarely use bike racks on local buses.	Mar 8, 2011 9:21 PM
63	Usually, you have to wait for the next bus unless the bus has storage underneath.	Mar 10, 2011 8:38 AM
64	bike in luggage bay - regionals	Mar 10, 2011 1:07 PM
65	When bike rack is full, I ask the driver if I can bring the bike on board the bus. 20% of the time they say "ok." The other 80%, I wait for the next bus (up to 30 minutes) or suck it up and ride (usually it's due to rain or snow that I am opting for the bus).	Mar 10, 2011 6:59 PM
66	Put bike underneath (I ride the regional bus mostly)	Mar 10, 2011 10:30 PM
67	If it's a regional bus they've put it in the 'hull'/under the bus, other times I've been denied access to the bus and have had to wait for another or just bike up the hill I was trying to avoid on the bus (and show up to the meeting all sweaty)	Mar 15, 2011 1:12 PM

Page 1, Q9. If you have encountered a full bike rack on the bus, how did you deal with it?

68	depending on waiting time, hoped on another bus or locked the bike at the bus stop (it's not an expensive bike)	Mar 15, 2011 5:18 PM
69	Put the bike underneath in storage bin if available. Otherwise either biked to destination or changed my route.	Mar 15, 2011 5:24 PM
70	took a later bus	Mar 15, 2011 5:49 PM
71	i rode my bike	Mar 15, 2011 6:20 PM
72	RIDE MY BIKE TO ANOTHER BUS STOP OR WAIT FOR THE NEXT BUS	Mar 16, 2011 8:57 AM
73	Put my bike in the storage under the bus.	Mar 16, 2011 10:11 AM
74	I left my bike at the bus stop.	Mar 16, 2011 10:48 AM
75	This is the biggest problem in the bike/bus combo. On the BX, one can put it below the bus, but with the SKIP, one must wait for the next bus in 10-20 min.	Mar 16, 2011 11:38 AM
76	I've brought my bike on board when the driver allowed it. When I wasn't allowed to board, I've biked to my destination or waited for the next bus.	Mar 16, 2011 11:41 AM
77	put my bike underneath, damaged handlebars	Mar 16, 2011 12:00 PM
78	waited for next bus	Mar 16, 2011 3:29 PM
